SALBANELLO

Rosé semi-sparkling wine

Salbanello rosato is the rosé version of our famous red wine Salbanello.

It comes from the harmonious blend of Cabernet, historical full-bodied Eastern Veneto vine and the elegant and soft Malbech.

The grapes are vinificated separately and are blended together prior to the second fermentation.

The Charmat method fermentation goes on for 40 days at a temperature of 18°C in order to produce a fine, long-lasting and delicate perlage.

Thanks to these 2 varieties Salbanello rosato is a perfect mix of freshness, body and length.
