# SOANDRE DELLE VENEZIE I.G.T. ~ VERDUZZO

## Grapes

100% Verduzzo friulano  
grown in our own vineyards.

## Vinification process

A part of the grapes is harvested by hand in September and is raisined till December, the other part is harvested late, when the grapes are over-ripe. Both musts ferment in 225 litres barrels where the wine ages for 10 months.

## Organoleptic characteristics

*Colour:* golden yellow.

*Bouquet:* intense, pleasant for the citrus and ripe tropical fruit scents.

*Taste:* very refined with its well balanced sweetness.

## Gastronomic matches

Excellent with green cheeses and dry confectionery, nice accomplice of seductions.
