Sauvignon

IGP Trevenezie

In vineyard

Sauvignon blanc is the most prestigious aromatic vine and it found in our soil its perfect “terroir”.
The careful harvest by hand and the controlled temperatures during production exalt the varietal characteristics of our Sauvignon.

In cellar

After a soft pressure, the wine ages for 5 months in steel tanks on its noble lees.
Very pleasant and characteristic, Sauvignon Paladin has a great appeal for each and every nose.

Tasting notes

Pale yellow colour. Bouquet is typical, with distinct notes of grapefruit, tropical fruits, citrus, melon, peach. Taste is fruity, dry, fresh and lingering.

Pairings

Ideal with first courses with spices and herbs, asparagus, seafood and raw ham. Great also as aperitif.

Taste at 6°C
