

PINOT GRIGIO

DOC DELLE VENEZIE

IN VINEYARD

This fine variety has a name dedicated to the fact that, at maturity, the grape takes a copper colouring, half among the so-called "white" and "black" grapes, the pinot Grigio DOC comes from the best selection of the grapes.

IN CELLAR

Vinification in white makes it possible to obtain a wine with a straw yellow colour of great personality and considerable structure.

IN TASTING

Wine with a straw yellow colour. Bouquet: intense and elegant, with notes of acacia and pear flowers. The taste is dry, pleasant for the fresh and mild note. Good body and structure.

PLUS

Ideal land for the cultivation of Pinot Grigio. Elegant and noble wine.

PAIRINGS

It is well-known to match with the great fish cuisine: fine crustaceans, baked fish, oven or grill, tasty fish soups and risotto. Great also with crêpes, soufflé and white meat.
