

PROSECCO DOC DRY TONDO

IN VINEYARD

Wonderfully soft and silky, the Prosecco Dry Tondo is born from a quality of grapes known for the roundness of the grain and for the presence of berries that remain small and sweet.

The Prosecco Dry Paladin is a delicate sparkling wine, very loved by those seeking harmony and pleasantness.

IN CELLAR

The re-fermentation for the taking of foam takes place at 13°C and gives rise to a fine perlage, particularly pleasant and soft on the palate. This technique also allows to obtain delicate perfumes and intriguing flavours. Before the second re-fermentation there is the addition of 10% of the Glera must and contact with the yeasts for a period of 40 days.
